What did you like about this book?

I like this story because it shows how quickly people can bond even if they are almost complete opposites.

My favourite character is Lori because she is brave and loyal but also kind and helpful.

I love the humour in this book, Nan's hats and clothes are quite amusing, but it is mixed in with quite serious bits too.

I feel lots of different emotions when reading this book, cheerfulness and excitement to anger and sadness.

If I could ask Lori anything, I would ask if she would ever like to have a pet.

I would recommend this book to anyone that likes a little mystery and adventure.
