| <p>Number moulds and shells in sand - match numbers to correct number of shells.</p> | <p>Hide dominoes in sand. In pairs, play Who Has More with the dominoes, choose one domino each and compare the spots. The player with the most spots can keep the pair.</p> | <p>Role play area - Farm shop</p> | <p>Provide the children with a collection of items to sort. Encourage the children to sort the items into sets and then compare the quantity in each set. Can you find a set with more than this one? Can you find 2 sets with the same quantity?</p> | <p>Tape big paper on mark making table. Ask the children to build or write their name. (Butterbeans with individual letters on are nice for this.) How many letters does their name have? Do they have more letters, fewer letters or the same number of letters as their friend?</p> | <p>Encourage children to explore making their own maps and cunning plans like in 'What the Ladybird Heard' (large paper, pens, chalks for the playground) for map making. Have other examples of maps available for children to look at and play with.</p> | <p>Using paint, create patterns with different farm objects. Mon - Tues: Paint animals from 'What the Ladybird Heard' for display Wed - Thurs - small animal world footprints</p> | <p>Build a tractor using mobilo.</p> | <p>Tuff tray - What the Ladybird Heard story retelling area. (Bark/rice, gates from farm box, farm toy, farm animals, pictures of farm animals, story book).</p>  | <p>Make a caterpillar by threading some beads onto a pipe cleaner. Ask the children to make caterpillars with more beads and fewer beads than you. Which caterpillar is the longest? Which is the shortest? Can we arrange the caterpillars in order?</p> |
