

LIFE Education Trust Trustee

At LIFE Education Trust our Mission is '*To build great learning communities which unleash creativity and champion optimism, in a spirit of compassion*'. To accomplish our mission, we use our 3 core beliefs:

- Courageous Optimism
- Boundless Creativity
- Heartfelt Compassion

We are looking for a new trustee, ideally with senior and extensive experience of the Primary education sector, to join our talented and committed team.

Trustees are crucial to the success of our Trust. They are the key strategic decision making body with legal responsibility for the Trust and they share a passion and commitment to our mission of building great learning communities. Trustees uphold our beliefs of courageous optimism, boundless creativity and heartfelt compassion. They demonstrate our behaviours of bravery, humility and teamwork. Trustees are fully focused on pupils and employees thriving.

Our Board meetings are almost entirely virtual. Trustees meet together four times a year for formal meetings and have an annual strategy morning in January. Trustees also serve on one of our three committees: Education, Pay and Personnel, and Finance and Facilities. These also meet four times a year.

We are proud that LIFE has grown to seven schools and is a cross phase Trust with schools in Havering and Essex as well as links further afield. We are a Sponsor Trust and we believe we have credibility as a Strong Trust moving forward and growing. Discussions are already happening with schools who are considering a Trust to join.

If you feel that you share our ethos and would like to be part of the next exciting phase of our development, please get in touch.

Applicants should submit a brief written application expressing an interest in the role to khady@lifeeducationtrust.com.

We encourage and welcome applications from all backgrounds and all parts of the community, particularly people from ethnic minorities who are currently under-represented.
